

CSLIP is a Local Government Investment Pool

CSLIP is a Local Government Investment Pool organized under the Colorado Revised Statute 24-75-701. Participants consist exclusively of local governments in Colorado. A local government is defined as: County, City, Town, School District, Special District, Higher Education Institutions, or other political subdivisions of the State of Colorado, or any department, agency, or instrumentality thereof, or any political corporation of the State of Colorado. CSLIP seeks to maintain a stable Net Asset Value (NAV) of \$1 per share.

Participants

Exclusive to Colorado local governments as defined above.

Board of Trustees

CSLIP is governed by a Board of Trustees consisting of local government officers with primary investment responsibilities for their entities. i.e. Finance Directors, County Treasurers, Business Officers, CFO's.
